This is a critical time for the social justice of our UUs across the country and especially here in Texas with our quickly changing demographics and public policy landscape. We will share TXUUJM's actions on our website- **txuujm.org**, our newsletter and on our facebook page at **www.facebook.com/TXUUJM**

**Our Executive Director**

## Texas UU Justice Ministry

The Texas Unitarian Universalist Justice Ministry (TXUUJM) seeks to sustain a statewide justice ministry giving voice to Unitarian Universalist values in the public arena. Guided by UU principles, TXUUJM works to educate, organize and advocate for public policies that:

- Uphold the worth and dignity of every person
- Further justice, equity and compassion in human relations
- Ensure use of the democratic process
- Protect religious freedom
- Promote respect for the interdependent web of all existence
- Engage the sustaining power of worship, the arts, community building and friendship in the work of social justice
- Foster collaboration and civic engagement among Texas UUs and encourage close partnership with our interfaith allies
- Put our faith into practice in ways that address systematic injustice and create lasting, positive social change
- Provide UUs with information, education, training and opportunities for dialogue on pressing issues of public policy, legislation and ballot initiatives

## TXUUJM Accomplishments 2016 - 2018

- TXUUJM organized, testified, rallied at least 5 times with our allies to flush the bathroom bill out of Texas!
- TXUUJM helped secure \$5 million for the Adult Career Education Fund (ACE). We worked in concert with Texas Network of Organizations to find state funding for long term job training programs to enroll more low income adults in community colleges to train for living wage jobs. The programs that will benefit are in the Valley, Austin, El Paso, San Antonio, Dallas and Houston.
- Rev. Freeman is one of the founders of “Reproductive Justice Congregations.” TXUUJM is encouraging our congregations sign on. We now have 12 UU congregations with this designation more than any other faith group in Texas.
- TXUUJM received a 15K grant from the UUSC in 2018 to continue our partnership on Immigration Justice. We have been awarded grants from the UUSC for 3 consecutive years totaling 38K.
- TXUUJM was closely involved in Laura Monterrosa being freed from the T. Don Hutto immigrant prison in Taylor. This is the FIRST prosecutorial discretion case since Trump took office!
- Rev. Freeman was a key leader in the Williamson County Commissioners voting to end the contract with the T. Don Hutto immigrant prison in Taylor. Williamson is the FIRST County In Texas To Make This Decision!

## How Can My Congregation Become A Member of TXUUJM?

Currently 34 of our 49 Texas congregations have covenanted with the Justice Ministry. How can your congregation join us?

Congregations sign a covenant with TXUUJM and support the Ministry through dues equal to \$2 per member annually. The dues can come from individual memberships, congregational budgets or other fundraising.

Congregations that covenant with TXUUJM appoint two members to the TXUUJM Advisory Council. The Advisory Council members become ambassadors for TXUUJM for their congregations, listening, sharing ideas and keeping them informed of our spiritual activism. They take part in a monthly conference call with our Executive Director and chart the course for our legislative agenda.

### TXUUJM Issues for 2018- 2020

Here are the top 3 issues our TXUUJM member congregations voted to focus on through 2020:

1. Immigration Justice
  2. Reproductive/Gender Justice
  3. Economic Justice
- We will also closely monitor and engage with Environmental Justice & Public Education.

TXUUJM will respond nimbly to other issues that spring up during and between legislative sessions which resonate deeply with our bedrock UU values. We will also use our influence/forums to support trusted member congregations who want to expand beyond these issues.
